

The 10.5m Enterprise vehicle is a lightweight, articulated vehicle with vast internal space, enhanced by a large, glazed, forward-facing gullwing. The vehicle not only provides a welcoming entrance, but also has a large internal display area for displays or information. The versatility is enhanced by an optional consulting room, providing a private area for discussion or meetings.

## Vehicle Features

- 1 Hydraulically operated glazed gullwing
- 5.5 KVA super silent portable generator
- Full disabled access
- Built-in air-conditioning / heating unit with climate control
- Seating capacity for up to 20 people
- Private staff and kitchen area
- Consultation room / office
- Base vehicle build time of 2 hours with 1 Unit Manager
- Built in storage areas
- 8 mains power points
- 32 amp mains connection
