

The 8.5m Endeavour mobile display vehicle is a spacious and lightweight articulated unit. The open, glass-panelled gullwing presents visitors with a warm and inviting welcome. Significant amounts of graphic space on the unit provide large branding opportunities to ensure your key messages are delivered.

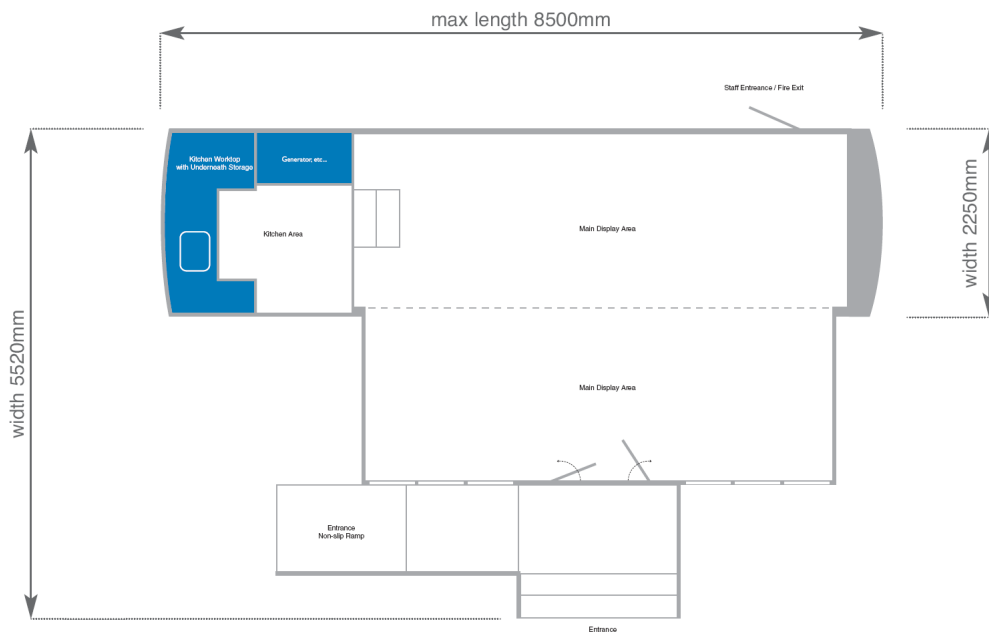

Endeavour provides users with flexibility. The vehicle seats up to 15 people, can access most site locations and has full disabled access. Boasting a comfortable consulting room with full climate control, Endeavour is also ideal for private discussions or meetings.
