

Pathfinder 2 (Solid)

Fully refurbished in 2016, Pathfinder is a very agile exhibition unit. Quick to set up and small enough to access even the most difficult sites without any compromise on impact, Pathfinder is ideal for mobile training programs, meetings and presentations.

Vehicle Features:

- Pod to one side and split gullwing to the other
- Electro-hydraulic operation
- 5kva Fischer Panda generator
- 12 tonne DAF chassis (2006) 75,000km
- Feature rear entrance canopy
- Entrance steps
- Air conditioning
- Lockers and skirts
- Fully refurbished in 2016

Pathfinder 5 (Glass)

Fully refurbished in 2016, Pathfinder is a very agile exhibition unit. Quick to set up and small enough to access even the most difficult sites without any compromise on impact, Pathfinder is ideal for mobile training programs, meetings and presentations.
